Experiences

Web Development Intern

MotionCut Intern | AICTE platform

Jan 2024 - Feb 2024

-- Developed mini-projects such as a to-do list, a social media platform and a clock using HTML, CSS, JavaScript, and React.

Projects

AI-VERSE Web App | LLAMA-2 70b, HTML, CSS, JavaScript, React, SQL, Django, Python

Developed AI-VERSE, a web application using LLAMA-2 70b, HTML, CSS, JavaScript, React, SQL, Django, and Python. The app includes features like AI code generation, code explanation, documentation automation, code conversion, bug detection, and an AI-driven interview simulator. Integrated advanced AI models and web technologies to enhance developer productivity and learning.

Myntra Clone | HTML, CSS, JavaScript, React & Redux

June 2024 – July 2024

Built an e-commerce clone using **React.js** and **Redux**, implementing key features like **routing**, **hooks**, and **state management** for a seamless user experience. Gained hands-on experience with **component-based architecture** and efficient **state handling**, demonstrating expertise in frontend development.

Portfolio | React, Framer Motion, Tailwind CSS

Aug 2024 – Sep 2024

Built a personal portfolio using **React.js**, **Framer Motion**, and **Tailwind CSS** to showcase skills and projects. Features include **responsive design**, **UI animations**, and sections for **experience**, **education**, and **skills**. Highlights full-stack projects using the **MERN stack** and **API integrations**, demonstrating expertise in frontend development and performance optimization.

To-Do List | HTML, CSS, React, Node, Express, Mysql |

Sep 2024 – Oct 2024

Developed a **To-Do App** using **React.js**, **Node.js**, **Express.js**, and **MySQL**, featuring **JWT-based authentication** and **hashed passwords** for secure login. Implemented **CRUD functionality** with seamless user experience and backend integration, demonstrating expertise in **full-stack development** and **authentication systems**.

Skills

Programming Languages & Frameworks

JavaScript | ReactJs & Redux | NodeJs | ExpressJS | Bootstrap | HTML | CSS

Databases & Tools

MySQL | MongoDB | VS Code | Git | GitHub | Postman

Certificates

- CS50's Ready Player 50 Event - Harvard University

Strengths

Teamwork | Quick Learner | Dedication | Detail-Oriented
